Time is moving quickly! We have had such fun experiences in March. Hawaiian Days were so much fun! Going on a plane, having picnic lunches on the beach, making volcanoes, joy!! There have even been some days where kites were flying ☺

Also, a big thank you to all the families who came out for MCCP Sunday! We are so proud of the students and their desire to share what they have learned. Well done!

Reminder: Please visit the restroom with your student before school. This allows all of our learning to continue, as Our time is limited with your Students. Thank you!
