

Maple City Christian Preschool

September Newsletter

Dear Parents,

Welcome to Maple City Christian Preschool! We have been working so hard all summer to make this a great year for you and your child. Here are just a few reminders:

- Please make every effort to get tuition paid the first week of each month.
- If your child attends the PreK 1 class, please remember to keep a change of clothes from the waist down in your child's book bag. That will help us greatly!
- Before the start of each school day, if you could make sure that your child uses the restroom right off the gym that would be very beneficial for the student so that he/she is not missing chapel.
- Drive slowly when entering and leaving the parking lot. Children are crossing the back lot in the morning so it is not appropriate to drive quickly in and out of the parking lot.

Did you know that breakfast is the most important meal of your child's day? It provides the nutrients and energy he or she needs to concentrate in school. Research even shows that kids who eat breakfast get better grades, pay more attention in class and behave better. Help your child begin their day on the right foot.

Scholastic book orders are due on Friday, September 22nd. This is a bonus month with extra incentives for our school, so we are hoping to have a great book order!

This is safety month and because of that we will be having the firefighters and police department in to visit us. We look forward to getting to see their vehicles and hear about how we can be safe.

Blessings to you and your family. Thank you for being a part of Maple City Christian Preschool.

Heidi Strong,

Director of Maple City Christian Preschool
