

Maple City Christian Preschool

January Newsletter

Dear Parents,

I hope everyone had a happy, wonderfully blessed Christmas and New Year!

Please send in proper attire to play outside (mittens, hats, boots..). As long as the temperature permits, we will go outside to play and sled in the snow. If your child wears snow boots to school, please help them change into shoes here at school. Also, please have them wear layered clothes due to fluctuating classroom temperatures.

In the event of inclement weather, if **Norwalk City Schools are closed or delayed, we will be closed or delayed...** please listen to the radio, look on our Facebook page or call the school phone.

If they are **delayed, the morning class is canceled and the extended day students report to school at 11:30am.** We will still enjoy lunch together so please **pack a lunch for your student.**

Registration for the 2018-2019 school year will be starting in January. It is first come first serve as to the days you want. Make sure you see me; we are looking forward to having you back! The \$35 registration fee is due at the time of reenrollment.

Very soon you will be receiving a statement of what you have paid for school tuition for the year, January-December, 2017. This will include our Tax I.D. number, you will need this information for your yearly income tax return.

Remember, **no school on Monday, January 15th** in honor of Martin Luther King Jr. Day.

Heidi Strong, Director of Maple City Christian Preschool, 419-668-9207
