

Our approach to learning is simple. Let them grow.

A supportive preschool learning environment promotes the development of critical thinking skills, fosters awareness of diversity and supports learning.

Why MCCCP?

The mission of Maple City Christian Preschool is to introduce young children to formal learning by building a foundation of knowledge and skills within a nurturing, Christ-centered environment. We promote self-confidence, encourage love of learning, and celebrate the uniqueness of each child, while acknowledging our Creator first.

Christian Preschool

A place to
LEARN and **GROW**
and **SHARE** and
SUCCEED.

A caring environment that fosters creativity and learning.

We recognize that engaging the whole person, mind, body and spirit, is fundamental in development. We honor Jesus Christ in our words and ways.

Academics

Your child will experience school through well-defined accessible learning centers. These centers address: social/emotional development, creative arts, indoor and outdoor experiences, literacy experiences, key mathematical concepts, scientific knowledge, social studies, family and life skills, and language skills.

Community Partnerships

Norwalk Police & Fire, Maple View Animal Hospital, God's Little Critters, and Norwalk Public Library have all shared with us in our learning experiences.

Early development is fundamental to the growth of your child.

The child's development in each domain (language, social, physical, cognitive, and social-emotional) is sustained and enhanced primarily through activities that promote purposeful play.

Gain Independence

Daily routines develop self-confidence and foster independence. Our program is both structured and unstructured, and combines planned and unplanned learning experiences, all of which promote adaptability among young learners.

Flexible classes make this a great place to grow.

We desire that each child increase their understanding of Christian truths, related to their experiences and level of development. Children are encouraged in self-confidence, concern for others, cooperation in work and play and a spirit of sharing.

A Loving Staff

Years of dedication and experience come to the table in our faith-filled, professional teaching team and administration.

Our teachers offer experiences that maximize young children's learning and development, providing foundational experiences for school success in the future.

It's our honor to partner with our families, the **true experts** of their children.

Everyone is welcome at MCCP!

Chapel

We gather together and learn songs and Biblical truths. Families are welcome to join us! We are looking at Thursday mornings for 2017-2018.

Snack, Lunch

Students will have a mid-morning snack, provided by parents on a monthly basis. Lunch is packed for Extended Day classes and will be served in the classroom with the teachers

***Disclaimer – In the event that the registration for an extended day class is too small, the MCCP Board may close a day/class and move students to another day for the optimal learning for the students.**
