February Newsletter

Dear Parents,

Valentine's Day will be a feature of the month of February. On Wednesday and Thursday, February 14th & 15th, the children may bring in valentines to exchange. Please **DO NOT** put names on the envelopes. (We don't read very well yet, when we "mail" our cards to each other.) But **DO** have your child's name on the back so they know who gave them a valentine. **Please do not feel under any obligation to send valentines.** We will also be having a party that day, we would love to have volunteers! Sign up in the hallway or call 419-668-9207.

On **Tuesday, February 6th from 6:00-7:00pm we will be hosting a Family Literacy Night!** There will be prizes for the first 10 kids in the door! Our friend from the Norwalk Public Library will be back again to read this year. This will be a fun time for us to provide you with some great information and fun activities for you and your child to do. We will be focusing on pre-reading activities and beginning literacy. This hour will be focused on you and your preschooler. We hope that you will find value in the evening and preparing them for further learning and for Kindergarten. We hope to see all of our Pre K I and Pre K II students and their parents!

If you are planning to send your child to M CCP next fall, **you must re-register.** Don't delay returning your registration form and the \$35.00 registration fee! Registration is also open to the public, so classes fill up quickly. Remember. . . classes are **filled** on a first come basis, so you must get your spot reserved right away as class size is limited.

Remember, **no school on Monday, February 19th** in honor of Presidents Day.

February tuition is due by Friday, February 2nd. Scholastic orders are due by Friday, February 23rd.

In Him,

Heidi Strong, Director of Maple City Christian Preschool, 419-668-9207
